ELEMENTARY BOARD ELECTION

8 Vie For Trustee Duty

Attorney Hartley Appleton and housewife Mrs. Doris Wimberly will be out to keep their trustee seats on Jefferson Elementary School District board next Tuesday against six challengers in a most "unpredictable" election.

Main and perhaps the only issue of the campaigning, is the board's December decision not to rehire Supt. H. Z. Weibel after June next year.

Only a few of the six candidates in the race with board chairman Appleton and Mrs. Wimberly (appointed last year) have openly made the Weibel decision a "platform" plank.

Public sentiment for or against the superintendent should be evident in Tuesday's outcome, however.

Appleton, chairman since last fall, is completing a regular three-year term as trustee. A resident of Westlake since its beginning, he lives at 1 El Portal Way.

Mrs. Wimberly, 892 North Mayfair, a college graduate, was named to succeed resigning trustee Henry Kraus in 1957. Since Kraus terminated his duties, he has spoken against Appleton, in particular.

Kindergarten Signups Loom Record Here

More than 1000 new kindergarten students may start school here this fall, if early signup projections are true.

Dr. Vinton Stratton, Jefferson Elementary School District director of instruction, said kindergarten signups since last week have hit 857. Parents who failed to register children are urged to do so immediately at the schools listed a week ago. For information call PLaza 5-3341.

Last September, 991 kindergarten students enrolled. In May of 1957 the signups totaled 832. About 19 per cent of the 991 total registered late, Stratton said. He hopes the tardy ones won't be so tardy this year.

W'LAKE WOMAN PAYS DAMAGE FOR 'DAMAGING'

A property-damaging spree at Harold's Motel in Colma this Tuesday brought a "guilty" plea from a Westlake woman, who was sentenced by Judge Thomas Bocci to 30 days in jail or \$50 fine in addition to paying for the wreckage.

Doris Wells, who lives at 195 Park Plaza drive, apartment 8, made restitution to the motel owner. She has five days to pay the other levy.

Broadmoor police made the arrest after the woman reportedly smashed a TV set and other furniture at the motel.

in the dispute over the Weibel "firing."

Alphabetically, seeking three-year duty along with Appleton and Wimberly are:

Owen D. English, a carpenter with eight children, who lives at 711 87th street.

Arthur J. Huelsel, steel-iron company estimator, 151 Abbot avenue.

Thomas Noonan, telephone company employee, 471 C street.

Martin Orloff, insurance agent, Weibel supporter, 741 Stewart avenue.

Joseph P. Schultz, landscape contractor, 548 Atlanta street.

Frank R. Verducci, school teacher—counselor, 70 Westdale avenue.

The large field of candidates and the Weibel "issue" may bring a record number of voters to the polls, open from 7 a.m. to 7 p.m.

The elementary school district on Tuesday, May 27, will ask voters, in a special election, to raise the permissive tax from the present rate of \$1.50 per \$100 assessed valuation to a \$2.20 maximum. The tax hike is necessary, according to Weibel and his staff, to cover district "operating" needs the next four years.

HIGH SCHOOL BALLOTING

JUHS Incumbents Face Coastsider Challenger

Coastside James "Jim" Cooper, president of Pacific Manor PTA, faces veteran incumbent Elio Fontana of Colma and Mrs. Anna Eason of Daly City next Tuesday in the Jefferson Union High School District election to decide two three-year trustee jobs.

Fontana and Eason, strongly

backed for their lengthy service and record with the board, expect heavy competition from the Pacifica resident.

Cooper, active in the schools movement at Pacifica the past few years, expects heavy support from Coastside voters, since he is exclusively identified with the area and has no rivals from his own territory.

But Fontana and Eason are equally well respected on the Coastside, a factor which, coupled with their backing in the DC-Colma area, could spell victory again.

Sentiment in Pacifica is expected in Cooper's favor since a win by the Pacific Manorite would give the Coastside a 3-2 majority on the high school board. Trustees Donald Miller and Raymond Whitney live in Pacifica. Fifth member of the board, Lyal Ingersoll, is a pioneer resident of Daly City.

Fontana, who with his father manages a monument company, was appointed board chairman last year. He seeks his third consecutive term as trustee.

Mrs. Eason, housewife long active in school and civic projects, has won three elections to the board in succession since she was first appointed trustee in 1947.

PLATFORM NIGHT

'Crowd' Of 45 Hear Candidates For Elementary Trustee Berths

About 45 citizens Monday night heard candidates for the Jefferson elementary and high school districts' boards of trustees who will be judged at the polls next Tuesday.

Tom Jenkins, past president of Snell PTA, moderated the two-hour and 15-minute session, which allowed each candidate five minutes to voice his policies, followed by questions from the audience.

James Cooper, Pacifica resident and father of two teenage children, was the lone high

school candidate who spoke. Incumbents Elio Fontana and Mrs. Anna Eason could not attend. They were busy at a regular board meeting.

Cooper, assistant manager of transportation for the San Francisco Chamber of Commerce, said his group was not pleased with "the high costs of Westmoor High" and added he would work to expedite the two planned Coast high schools.

Field in the elementary board race was reduced to eight

PRINCIPAL Elisabeth Kennedy of Westlake school doesn't have any trouble identifying these students, but visitors will might. They're all twins—six sets—maybe a record for one school in this neck of the woods. The pairs, left to right, front row: Gary and George Arabian, Conradine and Clifford Conway. Rear row: Dian and Billy Blum, Shirley and Lloyd Schutte, Robert and Charles Murray, and Ruth and Richard Dunn. Now, that wasn't so hard, was it?

HIGH SCHOOL TEACHERS GET 3.7% RAISE

Trustee Donald Miller's motion was unanimously approved Monday night as trustees granted high school teachers a 3.7 per cent pay raise, effective this September.

Supt. Edward Morgan said the hike would match the rise in the cost of living, as stipulated in the request by the Teachers Association Committee, headed by Louis Martin.

The action means teachers will average about \$223 more per year in pay, costing the district an additional \$29,200 in salaries.

The board also heeded the association request for reduction of the teacher salary schedule to 13 steps. Starting pay for beginning teachers thus was raised from \$4700 to \$4800, and the 13th or maximum step from \$7970 to \$8200.

Morgan said the pay verdict brings the teachers up to the Bay Area average. This is still lower than some school districts in California, however.

Trustees also hired three new Westmoor High teachers for next September and accepted "with regret" resignation of three others.

Hired were Elisabeth Alessandri, to teach Spanish; Nicholas...

Employees Seek 5% Wage Hike

A five per cent wage hike proposal by city employees will be mulled by the council during its special '58-'59 budget study session next Tuesday night.

City fathers Monday received the employees' request in a letter from Harry Bosberry, chairman of the personnel board. The workers also seek \$30 a year clothing allowance for police and firemen.

Councilman Joseph Verducci said the salary proposal must be weighed in line with the budget. Councilmen may be ready for a decision at their study session next Wednesday night.

The council Monday night approved by resolution the final map of Doelger's Westlake Unit 10-A, gave the police department an extension of time in its survey for traffic safety improvements on Fairway drive in Westlake, and instructed the manager to approach Southern Pacific company for an easement for traffic parking space at Marchbanks park.

In other main business, the council:

1. By 4-1 vote (DeBernardi opposed) moved to purchase a truck crane for public works department and civil defense work at cost of less than \$1000. City manager recommended it would be economical, since the city spent \$3000 last year alone to rent a similar vehicle for removal of silt from Lake Merced channel. DeBernardi said he hadn't seen the truck and there wasn't enough to convince him it was practical.

2. Reviewed letter from the Murphy family, 611 South Mayfair, protesting political signs on public property. City attorney held no misdemeanor is involved on public property, but if signs were placed on private

ASSEMBLYMAN ORDERS PROBE ON FREEWAY ROUTE 'SELECTION'

Assemblyman Charles W. Meyers of the 19th State Assembly District (San Francisco), today reported that public hearings will be held soon to investigate the "manner" in which state officials determine routes for freeways.

The hearings will be conducted under the direction of the Assembly Interim Committee on Conservation, Planning and Public Works, of which Assemblyman Meyers is

'ECONOMY MOVE'

Mayor Asks Engineer Department 'Shakeup'

Mayor Michael DeBernardi's "economy" move to reshuffle the department of public works Monday night brought heated opposition from Councilman Joseph Verducci.

In study session last Wednesday, attended by all but Councilman Robert St. Clair, DeBernardi instructed the city attorney to draft a resolution for passage Monday night.

DeBernardi's proposal would:

1. Eliminate the job of public works director (Otis Calhoun), and make Calhoun city engineer.

2. Appoint Dave Cafferata superintendent of streets.

3. Appoint William Foard superintendent of the water department.

DeBernardi said this would make all three heads responsible to the city manager and save the city funds "that now are being paid to Calhoun as an administrator and to extra engineers who are doing his work."

The mayor said the current public works department set-up would be "fine if the city population were about 80,000, but we're spending too much money for administrators."

"Stites (city manager) gets \$14,900 a year and Calhoun gets \$11,424," explained DeBernardi. "Calhoun is serving as an administrator but should be paid to be an engineer."

"Right now, we're spending \$26,324 for administration (manager and public works director)," snapped the mayor. "It just isn't feasible. Calhoun's talents should be used as an engineer, not in administration."

Verducci, claiming the personnel board should be consulted on DeBernardi's proposal, said the mayor "would actually be creating more brass if this resolution is adopted."

"Here you would create two more department heads, at no extra pay, and what about garage and building department heads," Verducci added. "Who is going to head these departments, which are now under the works director?"

Verducci challenged the qualifications of Cafferata and Foard as department heads, (Continued on Page 3)

Daly City May Join Tri-City 'Pound' Project

Relief may be in sight for residents worried about the inadequate and expensive city dog pound department.

City Manager Howard Stites Monday told the council he is investigating a possible "tri-city" pound with South San Francisco and San Bruno.

Jurisdiction thus would be with one fully organized agency and save Daly City some money.

Costs of the tri-city projects are being checked out, Stites said.

The council Monday read a letter from Westlake Improvement Association asking for stricter enforcement of the dog leash ordinance. Many residents throughout the city have asked for better pound service.

Manager Backers Lose Plea

Stating that their decision was "final and fully publicized," three Daly City councilmen Monday night rejected a requested "public hearing" this week on their edict to oust City Manager Howard Stites by August 1.

Nixed in its bid to stage a "town hall" meeting at Westmoor High gymnasium was "ACTION," a citizens' group (most members from Westlake), endorsed by minority Councilmen Joseph Verducci and Francis Pacelli.

Another big crowd attended Monday's session at the admitted urging of Verducci, who openly stated he was behind the move for a new "hearing" on Stites.

'Political Coup'

Mayor Michael DeBernardi, backed to the hilt by Councilmen Edward J. Dennis and Robert St. Clair, announced they would not participate in "any such town hall meeting... apparently a political coup instigated by Verducci."

"Nothing can be accomplished by this meeting," said DeBernardi. "We have made our policies or the city manager clear at all our public meetings, which we have four times a month at city hall. And the local press has publicized our action to inform the public. I, for one, will not attend a town meeting because I think the public is fully aware of the facts and our stand."

Dennis was even more emphatic. "I won't attend any political rally for Verducci." He then asked the ex-mayor if he hadn't "admitted being behind this ACTION group, at last week's study session."

Verducci answered, "Certainly I encouraged this group, and I'll continue to do so."

'Full Knowledge'

Dennis continued, "We've made ourselves explicit on our stand against Stites at many meetings. We are not hiding anything. We announced our policies at council sessions, Westlake Improvement Association meetings, Candi-

DC, Pacifica To Fete Debut Of Expressway

Daly City and Pacifica municipal leaders will share the ribbon-cutting ceremony at noon next Wednesday to open the new northbound lane of the expressway link between Pacifica on the Coast route and Skyline boulevard at Edgemar road.

The southbound lanes opened April 3 as an emergency measure for commuter traffic due to the slide which blocked the Coast route north of Pacifica.

This new four-lane expressway will replace the two-lane coastal road along the bluffs north of Pacifica which has been a serious maintenance problem due to the numerous slides which occur during wet weather.

The project provides a "Y" type interchange at the junction of Edgemar road and Skyline boulevard, as well as channelization at Pacifica.

The California Highway Commission allocated \$1,378,000 for the construction of this 2.2 mile project and work began on April 29 last year.

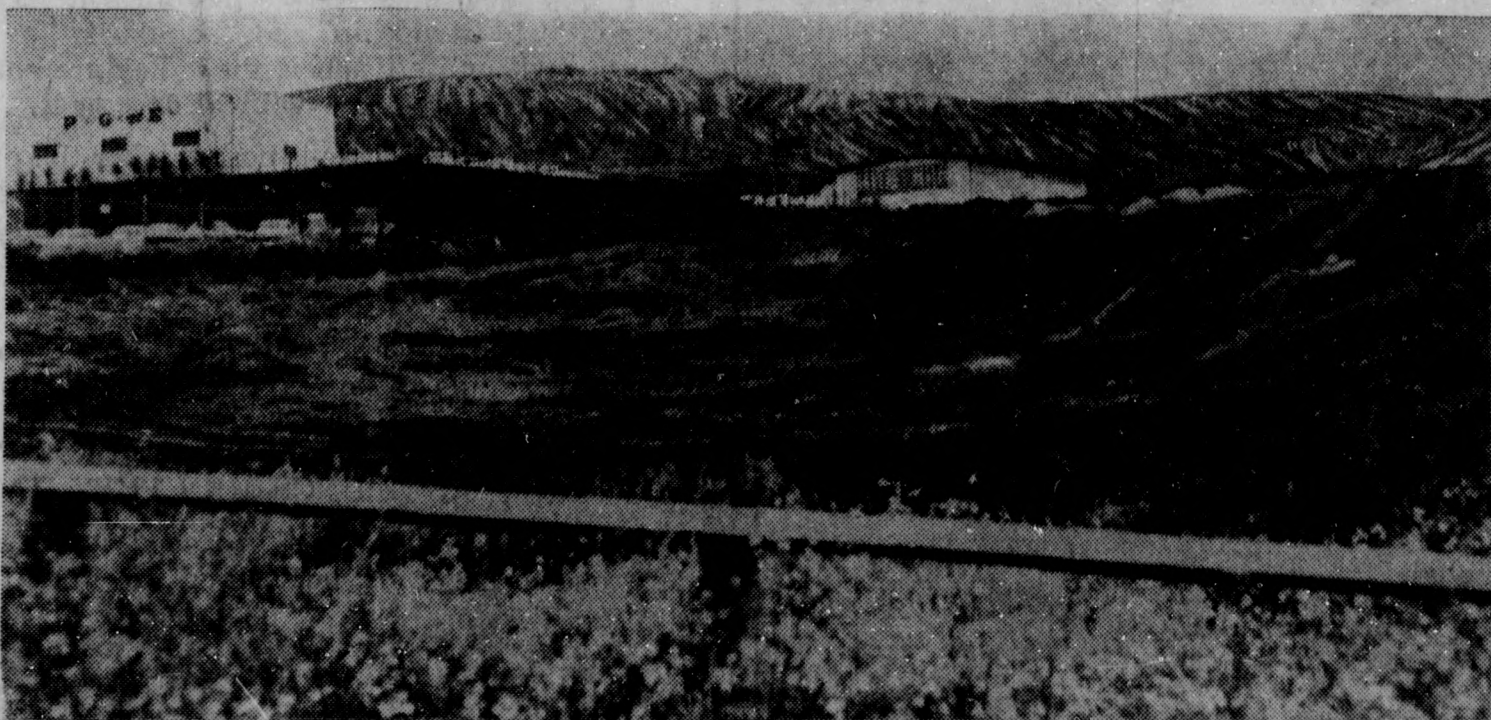

FIREMEN WILL HAVE A "BALL" SATURDAY NITE

Daly City firemen, their friends and followers invade Colombo Hall in Colma this Saturday night for the annual Widows & Orphans Benefit Ball.

Dancing music will be featured, as usual, and this event should be the biggest and best in the series.

Chief Elmer Kennedy reminds that a few tickets are still available. Contact any fireman, or call PL 6-0496.

'Neighbors' A Sign Of Progress

PLANT OF PG&E in Colma soon will have two northerly "neighbors" along Edgemar road. In the foreground is the

McKeon corporation commercial strip, which will serve St. Francis Heights subdivision. West of the proposed shopping

center will be the M. Pauline Brown elementary school. Zita officials will meet with the school board on sale of the site

WHAT'S DOING

A. C. Latno, your Telephone Manager in Daly City

If you're on the go these fine spring weekends, you won't often be far away from a phone. We install phone booths where you're most apt to need them. Last year more than 2500 new ones went up in the Pacific West. You'll find these handy booths in vacation spots and in everyday places, too. By finding out where the demand is greatest, we're able to select the locations that are most convenient for you. Near busy street corners. In hotels, drug stores, gas stations. Wherever you go, your phones away from home make your service even more valuable to you.

Next time you see a group of telephone men at work, take a good look. Bet you'll notice they're all wearing glasses. These are individually-fitted safety glasses. And they're a big help in preventing eye injuries. The glasses are made so they won't shatter even under a heavy blow. The way we look at it, our people are the biggest asset we've got. And your best guarantee of good service. So we're strong for safety around here.

Want to give out-of-town relatives a real treat? Surprise them with a phone call—and then let the youngsters chat with them. They'll be glad you called—and so will you. Besides, it's a perfect way to show children that families can be close together even when they're far apart. If you look in your phone book, you'll notice evening rates are extra low. So call tonight! Pacific Telephone

Ron Bosc Wins Scholarship For Fine Arts

One of eight full tuition scholarships to the California School of Fine Arts has been awarded to Ron Bosc, fine arts student at Westmoor High school. The scholarship includes the tuition fee plus all studio fees for one year.

Requirements met before Ron was selected included the following:

1. A portfolio containing six pieces of art work.

2. Letters of recommendation from Principal Glenn South and fine arts chairman Robert Nissen.

3. A letter stating why he wanted the scholarship and his reasons for studying art.

4. A letter from the parents regarding financial need.

5. A transcript of his grades.

Ron, a senior, plans to enroll in the commercial art course at the California School of Fine Arts this Fall. This course will be connected with the program offered by University of California.

Bosc, who lives in Westlake, writes a weekly student column for Marchbanks Publications.

W-Wilson PTA Members Meet The 'Challenge'

Officers and members of Woodrow Wilson PTA have accepted the "challenge" of a busy year. While delegates were attending the State Convention of the California Congress of Parents and Teachers in San Francisco, other members were assisting during kindergarten registration on May 7.

On hand to greet and assist mothers of new kindergarten students were, the Mesdames: Mendel Plinsky, Francis Fillbach, Calvin Gray, Robert Stone, John Williams and

Frank Fitzpatrick. Coffee and cookies were served as the parents were invited to join the increasing membership of Woodrow Wilson PTA.

Delegates to the CCPT convention were Mrs. Wallace Clark, Mrs. Lawrence Meaney and Mrs. Robert Van Zandt. They report on various phases of the convention theme, "Enlarging our Circles of Cooperation." After attending general sessions, the delegates parted, each to attend a particular conference of special interest. Conferences on parliamentary procedure, programs, communication, and others revolved around the value of cooperation in all facets of PTA work.

Entertainment of special interest was a concert given by approximately 600 members of

A. C. T. I. O. N. Reports To The People:

WHAT'S HAPPENING IN DALY CITY GOVERNMENT

At the meeting of the Daly City Council on April 28th, a motion was made to peremptorily fire the City Manager. Although the City Manager Ordinance requires that this motion be tabled for 90 days, three Councilmen (DeBernardi, Dennis and St. Clair) constituting a majority of the Council, have stated their unequivocal commitment (to whom?) to push through this dismissal action. Councilman Pacelli and former Mayor Verducci have, on the other hand, voiced their strong support for the City Manager type of government, as well as for the present City Manager.

We feel that this issue should be brought to the attention of the people of our City since it directly and vitally affects all of us.

There have been no allegations of wrongdoing, incompetence or bad faith concerning the City Manager by any member of the Council. All references to the City Manager's ability and honesty, even from those in favor of his dismissal, have been laudatory. The main objection voiced by those favoring his firing is his alleged lack of "popularity" in certain quarters (especially among those who were recipients of special favors from former administrations.)

If this be so, then we are treading on very dangerous ground. If the present majority of the Council intends to substitute political "friendship" and "popularity" as desirable criteria for the chief city administrator, in the place of knowledge, ability, merit and efficiency, then they are abandoning the entire concept of non-partisan city manager administration and returning our City to the political dark ages.

The larger issue here is not whether the present City Manager stays. The issue is whether we will preserve the clean, honest, progressive and efficient type of city government which the city manager system, personified by the administration of the present City Manager, Howard Stites, has afforded us, or whether we will return to the incredible morass of confusion, corruption and arbitrary exercise of authority, without responsibility, which formerly characterized Daly City government.

We, the people, are entitled to know the real reasons behind the firing of the City Manager. These reasons have not been made public by the proponents of this action. We must act quickly—only 74 days remain before the Council majority acts on this dismissal. ATTEND COUNCIL MEETINGS ON THE 2nd and 4th MONDAYS OF EACH MONTH. CONTACT YOUR COUNCILMEN. ASK THEM TO EXPLAIN THEIR ACTIONS TO YOU. AS A CITIZEN YOU HAVE THIS RIGHT; AS COUNCILMEN THEY HAVE THIS OBLIGATION.

Join us in our fight to keep good government in Daly City. Together we can keep Daly City a place in which we are proud to make our homes and raise our families.

THE IMPORTANT THING IS 'VOTE'

May is the month of three important elections in Daly City, each involving the schools.

Next Tuesday, May 20, two trustee jobs on both the elementary and high school boards will be at stake. A week later, also on Tuesday, voters will weigh a 70 cent permissive tax hike for the elementary schools.

Both trustee races Tuesday figure to be closely contested with the issues quite clear.

Elio Fontana, board chairman, and Mrs. Anna Eason, both veteran trustees, will try to keep their jobs with the high school district. Third candidate is Jim Cooper, Coastsider who allegedly will have majority Pacifica vote behind him. Should Cooper win a seat, the Coastsider will have a 3-2 edge in board membership.

Chairman Hartley Appleton and Doris Wimberly, incumbents who were firm in the unanimous elementary board edict not to re-hire Supt. Henry Weibel, face six challengers at the polls.

Just how much support the superintendent has should be evident by the backing candidates who support him get at the precincts.

It is possible, Weibel could keep his position if the two "open" seats are taken by candidates who stand against the current board.

Of the three trustees who terms have yet to run out, one would vote for Weibel should the superintendent's status come up again for consideration.

The May 27 tax election of JESD is for operational needs to cover curriculum and personnel needs the next four years. The almost \$25 a year tax "OK" would mean to individual taxpayers makes the balloting somewhat unpredictable.

The JESD needs the funds, of course, but a 70-cent tax hike per \$100 assessed valuation may make residents think twice—this time.

Most important in all elections is voter response. By carefully evaluating the candidates and the issues residents can make intelligent decisions.

The wishes of the people certainly can be determined by the "yardstick" of election results.

LETTER-TO-EDITOR

Reader Answers 'Critic' Of School Board In Dismissal Of Weibel

Dear Editor:

I wish to answer Mrs. Doris Plant's questions in the May 7 and May 8 issues of Marchbanks newspapers — questions which have been clearly answered in school board meetings during the last four months.

Apparently Mrs. Plant does not attend school board meetings, although they are open to the public and attendance is encouraged.

1. The salary of the office of superintendent was raised from \$12,000 to \$14,000 because a new assistant superintendent was hired for the district and it was impossible to get the caliber of man needed for less than \$12,000—which was the amount the superintendent then received. The superior highest titled in any organization must receive the highest salary.

Incidentally, a school board cannot dispense with the services of a superintendent at a time of its own choosing when a contract is involved. Such matters are clearly defined in the State code on education.

2. "Impartial evaluation board."—The Odell Associates, an impartial professional research team of capable professors, formerly administrators in the public schools of California and associated with Stanford, were hired by this school board two years ago for the express purpose of evaluation of the entire district—board, superintendent and other personnel, curriculum, buildings and lands. This impartial group is working and has already submitted valuable reports to the district. It would be pretty poor policy to hire another "evaluation" group of professors when a highly respected, competent group is already at work. The professors proposed to serve on another new "evaluation" group would also have to be paid fees and expenses.

Furthermore, as Mr. Tormey (county superintendent of schools) has told both Mr. Orloff and myself, it is highly unlikely that any professor or group of professors would be willing to work on any so-called "evaluation" board that had as its purpose the responsibility of deciding whether or not a school board should renew a superintendent's contract.

Incidentally, Mr. Orloff has leaned heavily on the example of the Laguna Salada evaluation group, but there are significant differences in that situation and this. There was not another group already at work and the report in no way touches on the question of a superintendent's contract. Mr. Orloff would have known this had he investigated a little further. The limited work of that group required the greater part of a year.

3. Regarding personnel organizations supporting superintendent: The board has never ignored or failed to give credence to such organizations' communications or wishes, as Mrs. Plant would know if she would attend school board meetings.

However, there are many matters of leadership and planning expected of a strong superintendent. It is difficult for a teacher to do the demanding work of teaching and also be aware of every detail of overall administration of the district. The board, by law, specifically has the responsibility and duty to select and/or dismiss a superintendent. It seems to me any board would be remiss in shouldering its responsibilities if it did not make such a decision on the basis of all facts available to it.

This matter of a superintendent's contract is not, and should not be the only or chief issue in a school board election. We have many other problems which we can solve if we all work together. We cannot solve them in a ruptured community.

I wish more people would attend board meetings and find out the facts of the situation and the work being done in this district for the better education of our children.

Sincerely,
Mrs. Marianne Hedrick

Becker Answers 'Challenges' Made By Rival In Muni Judge Campaign

Municipal Judge candidate Charles Becker today issued an official press release "to answer challenging statements" made by another candidate for the June 3rd primary election.

Becker, who asserts that the position of Municipal Judge is a dignified public office and disdains "political statements" which are innuendos and not facts, was referring to a press statement issued last week by Julius Castelan, Daly City area campaign manager for Antonio Gaudio.

Castelan charged that Gaudio's two competitors for Municipal Judge were "misleading the voters as to their status and qualifications for the office." He added that none of the candidates is a Judge; that the campaign slogan of one candidate 'A Judge for a Judge's Job' is not true, and that his candidate is the only local candidate.

Becker said he agrees with Castelan that "a Municipal Judge should be selected on the basis of his character, integrity and what he has done for the community. That is why the facts are important."

"As for community activity, my participation in all worthy projects is a matter of record. The slogan referred to is not mine. I have never misled anyone as to my status and qualifications. Castelan very well knows that I served as

City Judge of Colma prior to the state-wide court reorganization which took effect January, 1953. My publicity clearly states this and does not infer otherwise. As to being a local man, the record also shows that I am the only candidate who did not create a local address in order to be eligible for this office. I invite Castelan to check this."

Becker has been a practicing attorney 17 years and has the confirmed support of both labor and management. His record has earned the respect of civic, church and fraternal leaders throughout the district.

Father of three children, Becker, 42, and his wife Norma have resided for the past nine years at 5 Fieldcrest drive, Daly City.

Council Books Two Special Budget Meets

None of the other councilmen had much to say during the DeBernardi-Verducci exchange.

The matter will be further discussed at next Wednesday night's council study session.

ASSEMBLYMAN ORDERS PROBE ON FREEWAY ROUTE 'SELECTION'

(Continued from Page 1)
He added that "irreparable damage is being done to communities by many new freeway routes, with local officials unable to exercise any control over where the state's freeways are routed. Local traffic problems are being compounded, property values are being threatened, and the home lives of tens of thousands of our people are being jeopardized by new freeway routes."

Assemblyman Meyers said that the acceleration of state freeway projects represents a serious threat to our economy and our social way of life. Local officials must be allowed to exercise some influence over the routing of these mammoth public construction programs.

He also declared that under existing statutory law there are insufficient standards and safeguards provided in the procedure for such route location selection to eliminate the possibility of the selection of routes without adequate consideration being given to the wishes of local officials and residents.

"Sooner or later," Assemblyman Meyers said, "an aroused public opinion will demand some local 'home rule' on freeway and highway routes and this study will bring the facts before the legislature."

45 CITIZENS 'HEAR' JESD CANDIDATES

(Continued from Page 1) candidates when Donald Leshner, plumbing contractor of 417 Castle street, said his heavy business forced his withdrawal as a candidate. "I withdraw in favor of all the candidates who are fully qualified," he stated.

Incumbents Hartley Appleton and Mrs. Doris Wimberly delivered effective speeches on board duties and how they stand.

Only one of their six competitors present went on record backing to-be-dismissed Supt. Henry Weibel. This was Owen English 711 87th street, carpenter and father of eight children. He said he was "for Weibel and for reducing school taxes."

Martin Orloff, insurance agent, 741 Stewart avenue, Weibel backer, could not attend the session since he was attending an "organization" meeting of the San Mateo County Tuberculosis Association in Redwood City. Orloff recently was appointed to the association's board of directors and he told the press Monday's meeting "definitely warranted my presence since the association's budget and plans for the new year were to be mapped."

Citizens' Committee For Better Schools, sponsors of the Candidates' Night, turned down Orloff's request that his wife read his policies in his absence. Jenkins ruled that only candidates present could be allowed to speak, but the moderator did read Orloff's letter which stated his reason for not attending.

The other speakers: Arthur J. Huelse, 151 Abbot avenue, steel company estimator, commended present board for "good job" and said his was running in "disagreement," but with no decision on Weibel.

Thomas Noonan, 471 C street, telephone company employee, bemoaned "architectural monstrosities" in school construction and "high teacher turnover rate" here. Appleton answered that matter of hiring "transient" teachers was "the superintendent's stated policy," and declared "several administrative decisions have been left to the board instead of being handled as they should by Mr. Weibel."

Joseph P. Schultz, 548 Atlanta street, landscape contractor, said he was interested in "economy" management of the district.

Frank R. Verducci, 70 Westdale avenue, a San Francisco junior high school teacher, said he would have to weigh the facts on the superintendent before making a decision "one way or the other," and answered that his position as SF school employee would not prejudice my duty as trustee here if elected.

Appleton told the audience that contractor Hart & Hynding would be slapped with penalty action for the "inexcusable delay" at Vista Mar school in Westlake. Mrs. Wimberly, also replying to a question, said that "if" there are no hitches in present construction plans, district youngsters will be "adequately housed this fall."

Projects now underway to eliminate double sessions by this September, she pointed out, included seven classroom additions to Ben Franklin (open this month), completion of Vista Mar (550 students), three more classrooms for Olympia School, and additions to Jefferson Elementary. With these finished, she projected, "we will have the equivalent of 12 new classrooms by next fall."

The Town Record

By Roy Hurlbert

Westlake Improvement Association lost two directors this week. Both CASS NORTON and CHARLIE SANTUCCIO resigned because business kept 'em too busy.

Cass and Charlie the past four years have done much in Westlake. As chairman and vice chairman of the board, they leave big gaps to fill.

Quite coincidental they both resigned same time.

Daly City had its own ambassador of goodwill down Mexico-way. Busy JOE LEW-KOWITZ, top-of-hill petro proprietor, school trustee and you-name-it, visited relatives after he attended the national school boards' confab at Miami, Florida.

Long absence from town for popular Joe. But it was about time he took a rest. The guy is always on the go.

After much work by PAUL HUPF (aided by his predecessor, FRANK BLUM), councilmen this week adopted a uniform traffic ordinance.

City Atty. Hupf had to combine 25 old traffic ordinances into one—knocking the wheat from the chaff. Lots of work.

OK on the traffic ordinance was city's first big step toward codification of all ordinances. Hupf reports the city recently had 467 ordinances—making things mighty confusing. Some 200 of these have been repealed in the streamlining move.

Jack Larcombe is new chairman of the city recreation commission. He fills the shoes of resigned BOBBY COHN. Still one vacancy on the board—to be filled shortly.

All's fair in peace and politics: Rival candidates this end of the county are "at war." Placards and posters are torn down overnight and replaced with new faces.

There's no crime in plastering political material on public property, but when private real estate is involved, the law can step in.

All in the game, though. Campaigning can get dull without fireworks.

Last week we spotted "Miss Daly City" of 1968... or thereabouts. She's CAROL HOLMES, the living doll who presided as queen in the Colma K-6 School May Festival.

Supt. Henry Weibel was there to crown her with full distinction.

Neighbors San Mateo and Burlingame are feuding this week. Seems mayor of the former blasted the mayor of the latter after the Burlingame man was named to a third term on the Bay Area Air Pollution board.

The SM head man was against the appointment, he says, "cause he wasn't sure how the Burlingame stood on pollution policy."

The Burlingame official forgot to attend a meeting of Peninsula mayors to explain his ideas on the smog control.

'Town Hall' Bid By Verducci-Led Group Rejected

(Continued from Page 1) dates' night, and before Hillside Improvement Association.

St. Clair, joining DeBernardi and Dennis, declared Robert Hirsch, ACTION spokesman, "out of order" for the "personal nature you are using to attack us for the decision against Stites."

St. Clair demanded to know what ACTION "represents." "I wasn't too sure what your (Verducci) group stood for when we first got word of your plans," continued the new councilman.

"Our meetings are open to the public and we have four a month," he went on. "As for this town hall idea, well I want no part of it. I won't be associated with campaigning for future elections."

Hirsch and Richard Merritt, another ACTIONer, denied the town hall plan was "political in nature" and said there would be an impartial moderator. Another spokesman for the Verducci group said ACTION represented "95 percent of the people of Daly City."

Dennis reminded that this "95 percent representation" suggested by Mrs. Elsie Garrison was in conflict "with the mandate we got at the polls."

DeBernardi said he had been in open disagreement with the city manager the past two years on his policies. "The public has known this," he concluded.

On May 13, 1908, by act of Congress, the U. S. Navy Nurse Corps was established.

Ordinance No. 467

ORDINANCE NUMBER 467 OF THE CITY OF DAILY CITY REGULATING TRAFFIC UPON THE PUBLIC STREETS AND REPEALING CERTAIN ORDINANCES AND PARTS OF ORDINANCES IN CONFLICT HEREWITH.

The City Council of the City of Daily City does ordain as follows:

CHAPTER II ARTICLE III TRAFFIC REGULATIONS

Sec. 1101. Definitions of Words and Phrases.

(a) The following words and phrases when used in this article shall have the meanings respectively ascribed to them herein.

(b) Whenever any words or phrases used in this article are not defined herein, but are now defined in the Vehicle Code of this State, such definitions are incorporated herein and shall be deemed to apply to such words and phrases used herein as though set forth herein in full.

Sec. 1102. Holidays. Within the meaning of this ordinance, holidays are the first day of January, the twelfth day of February, the twenty-second day of February, the thirtieth day of May, the fourth day of July, the first Monday in September, the ninth day of September, the twelfth day of October, the eleventh day of November, the twenty-fifth day of December, and Thanksgiving Day.

Sec. 1103. Vehicle. A vehicle is a device in, upon or by which any person or property is or may be propelled, moved or drawn upon a highway, excepting a device moved by human power or used exclusively upon stationary rails or tracks.

Sec. 1104. Loading Zone. The space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers or materials.

Sec. 1105. Official Time Standard. Whenever certain hours are named herein, they shall mean standard time or daylight saving time as may be in current use in this city.

Sec. 1106. Official Traffic Control Devices. All signs, signals, markings and devices not inconsistent with this article placed or erected by authority of a public body or official having jurisdiction for the purpose of regulating, warning or guiding traffic.

Sec. 1107. Official Traffic Signals. Any device, whether manually, electrically or mechanically operated, by which traffic is alternately directed to stop and proceed and which is erected by authority of a public body or official having jurisdiction.

Sec. 1108. Park. To stand or leave standing any vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading of passengers or materials.

Sec. 1109. Parkway. That portion of a street other than a roadway or a sidewalk.

Sec. 1110. Passenger Loading Zone. The space adjacent to a curb reserved for the exclusive use of vehicles during the loading or unloading of passengers.

Sec. 1111. Pedestrian. Any person afoot.

Sec. 1112. Person. Every natural person, firm, co-partnership, association or corporation.

Sec. 1113. Police Officer. Every officer of the police department of this City.

(a) When required means complete cessation of movement.

(b) Stop or Stand. When prohibited means any stopping or standing of a vehicle, whether occupied or not, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

Sec. 1115. Trolley Coach. A trolley coach is a vehicle which is propelled by electric power obtained from overhead trolley wires, but not operated upon rails.

Sec. 1116. Traffic. Pedestrians, ridden or herded animals, vehicles, bicycles and other conveyances either singly or together while using any street for purposes of travel.

Sec. 1117. Alley. An alley is a public highway which does not exceed twenty (20) feet between property lines.

Sec. 1118. Operator. Any person who is in actual physical control of a vehicle.

Sec. 1119. Authority of Police and Fire Department Officials. (a) It shall be the duty of the officers of the police department or such officers as are assigned by the Chief of Police to enforce all street traffic laws of this City and all of the State Vehicle laws applicable to street traffic in this City.

(b) Officers of the police department or such officers as are assigned by the Chief of Police are hereby authorized to direct all traffic by voice, hand or signal in conformance with traffic laws, provided that in the event of a fire or other emergency or to expedite traffic or to safeguard pedestrians, officers of the police department may direct traffic as conditions may require, notwithstanding the provisions of the traffic laws.

(c) Officers of the fire department, when at the scene of a fire, may direct or assist the police in directing traffic thereat or in the immediate vicinity.

Sec. 1151. Required Obedience to Traffic Regulations. It is a misdemeanor for any person to do any act forbidden or fail to perform any act required in this article.

Sec. 1152. Obedience to Police and Fire Department Officials. No person shall wilfully fail or refuse to comply with any lawful order of a police officer or fire department official when directing traffic.

Sec. 1153. Persons Other Than Officials Shall Not Direct Traffic. No person other than an officer of the police department or a person deputized by the Chief of Police or person authorized by law shall direct or attempt to direct traffic by voice, hand or other signal, except that persons may operate when and as herein provided any mechanical pushbutton signal erected by order of the Chief of Police.

Sec. 1154. Public Employees to Obey Traffic Regulations. The provisions of this article shall apply to the driver of any vehicle owned by or used in the service of the United States Government, this state, any county or city and it shall be unlawful for any said driver to violate any of the provisions of this article except as otherwise permitted in this article or by state statute.

Sec. 1155. Exemptions to Certain Vehicles.

(a) The provisions of this article regulating the operation, parking and standing of vehicles shall not apply to any vehicle of the police or fire department, any public ambulance or any public utility vehicle or any private ambulance, which public utility vehicle or private ambulance has qualified as an authorized emergency vehicle, when any vehicle mentioned in this section is operated in the manner specified in the Vehicle Code in response to an emergency call.

(b) The foregoing exemptions shall not, however, protect the driver of any such vehicle from the consequences of his wilful disregard of the safety of others.

(c) The provisions of this article regulating the parking or standing of vehicles shall not apply to any vehicle of a city department or public utility while necessarily in use for construction or repair work or any vehicle owned by the United States while in use for the collection, transportation or delivery of United States mail.

Sec. 1156. Report of Damage to Certain Property.

(a) The driver of a vehicle or the person in charge of any animal involved in any accident resulting in damage to any property publicly owned or owned by a public utility, including but not limited to any fire hydrant, ornamental lighting post, telephone pole, electric light or power pole, or resulting in damage to any ornamental shade tree, traffic control device or other property of a like nature located in or along any street, shall within twenty-four (24) hours after such accident make a written report of such accident to the police department of this City.

(b) Every such report shall state the time when and the place where the accident took place, the name and address of the person owning and of the person driving or in charge of such vehicle or animal, the license number of every such vehicle, and shall briefly describe the property damaged in such accident.

(c) A driver involved in an accident shall not be subject to the requirements or penalties of this section if and during the time such driver is physically incapable of making a report, but in such event said driver shall make a report as required in subdivision (a) within 24 hours after regaining ability to make such report.

Sec. 1160. Authority to Install Traffic Control Devices.

(a) The Chief of Police shall have the exclusive power and duty to place and maintain additional traffic control devices when and as required under the traffic regulations of this City and to make effective the provisions of said article.

(b) Whenever the Vehicle Code of this state requires for the effectiveness of any provision thereof that traffic control devices be installed to give application to the public of the provisions of this article, the Chief of Police is hereby authorized to install or cause to be installed the necessary devices subject to any limitations or restrictions set forth in the law applicable thereto.

(c) The Chief of Police may also place and maintain such additional traffic control devices as he may deem necessary to regulate traffic or to guide or warn traffic, but he shall make such determination only upon the basis of traffic engineering principles and traffic investigations and in accordance with such standards, limitations and rules as may be set forth in the traffic regulations of this City or may be determined by ordinance or resolution of the legislative body of this City.

Sec. 1161. When Traffic Control Devices Required for Enforcement Purposes.

No provision of this article for which signs are required shall be enforced against an alleged violator unless appropriate signs are in place and sufficiently legible to be seen by an ordinarily observant person, giving notice of such provisions of the traffic laws.

traffic control devices applicable thereto placed in accordance with the traffic laws of this City unless otherwise directed by a police officer subject to the exceptions granted the driver of an authorized emergency vehicle when responding to emergency calls.

Sec. 1163. Installation of Traffic Signals.

(a) The Chief of Police is hereby directed to authorize the installation and maintenance of official traffic signals at those intersections and other places where traffic conditions are such as to require that the flow of traffic be alternately interrupted and released in order to prevent or relieve traffic congestion or to protect life or property from exceptional hazard.

(b) The Chief of Police shall ascertain and determine the locations where such signals are required by resort to field observation, traffic counts and other traffic information as may be pertinent and his determinations therefrom shall be made in accordance with those traffic engineering and safety standards and instructions set forth in the California Maintenance Manual issued by the Division of Highways of the State Department of Public Works.

Sec. 1164. Lane Markings.

The Chief of Police is hereby authorized to authorize the markings of center lines and lane lines upon the surface of the roadway to indicate the course to be traveled by vehicles and may place signs temporarily designating lanes to be used by traffic moving in a particular direction, regardless of the center line of the highway.

Sec. 1165. Distinctive Roadway Markings. Whenever the State Department of Public Works determines by resolution and designates a distinctive roadway marking which shall indicate no driving over such marking, the Chief of Police is authorized to designate such marking of those streets or parts of streets where the volume of traffic or the vertical or horizontal hazard of the roadway renders it hazardous to drive on the left side of such marking or signs and markings. Such marking or signs and marking shall have the same effect as similar markings placed by the State Department of Public Works pursuant to provisions of the Vehicle Code.

Sec. 1166. Authority to Remove, Relocate or Discontinue Traffic Control Devices. The Chief of Police is hereby empowered to authorize the removal, relocation or discontinuance of the operation of any traffic control device not specifically required by state law or this article whenever he shall determine in any particular case that such conditions which warranted or required the installation no longer exist or obtain.

Sec. 1167. Traffic Control Devices—Hours of Operation. The Chief of Police shall determine the hours and days during which any traffic control device shall be in operation or be in effect, except in those cases where such hours or days are specified in this article.

Sec. 1170. Authority to Place and Obey Signs to Turning Markers; Intersections; Multiple Lanes.

(a) The Chief of Police is empowered to authorize the placing of markers, buttons, or signs within or adjacent to intersections indicating the course to be traveled by vehicles turning at such intersections and the Chief of Police is empowered to indicate the allocation and indication of more than one lane of traffic from which drivers of vehicles may make right or left hand turns, and the course to be traveled as so indicated may conform to or be other than as prescribed by law.

(b) When authorized markers, buttons, or signs are placed within an intersection indicating the course to be traveled by vehicles turning thereat, no driver of a vehicle shall disobey the directions of such indications.

Sec. 1171. Authority to Place Restricted Turn Signs. The Chief of Police is hereby authorized to authorize those intersections at which drivers of vehicles shall not make right, left, or U turn, and shall authorize the placing of proper signs at such intersections. The making of such turns may be prohibited between certain hours of any day, and permitted at other hours, in which event the same shall be plainly indicated on the signs or they may be removed when such turns are permitted.

Sec. 1172. Obedience to No Turn Signs. Whenever authorized signs are erected indicating that no right or left or U turn is permitted, no driver of a vehicle shall disobey the directions of any such sign.

Sec. 1173. Signal Controlled Intersections—Right Turns.

(a) No driver of a vehicle shall make a right turn against a red or stop signal at any of the following places:

1. At any intersection which is sign-posted giving notice of such restriction as hereinafter provided in this section.

(b) The Chief of Police shall authorize the posting of appropriate signs giving effect to this section at any intersection where he determines that the making of right turns against a traffic signal "stop" indication would seriously interfere with the safe and orderly flow of traffic or movement of pedestrians.

Sec. 1180. The Chief of Police to Authorize the Signing of One-Way Streets and Alleys.

Whenever any ordinance or resolution of this City designates any one-way street or alley the Chief of Police shall authorize the placing and

maintenance of signs giving notice thereof, and no such regulations shall be effective unless such signs are in place. Signs indicating the direction of lawful traffic movement shall be placed at every intersection where a movement of traffic in the opposite direction is prohibited.

Sec. 1190. The Chief of Police to Authorize the Erection of Stop Signs. Whenever any ordinance or resolution of this City designates and describes any street or portion thereof as a through street, or any intersection at which vehicles are required to stop at one or more entrances thereto, or any railroad crossing at which vehicles are required to stop, the Chief of Police shall authorize the erection and maintenance of stop signs as follows:

A stop sign shall be erected on each and every street intersecting such through street or portion thereof so designated and at those entrances of other intersections where a stop is required and at any railroad grade crossing so designated. Every such sign shall conform with and shall be placed as provided in Sections 471 and 471.5 of the Vehicle Code.

Sec. 1191. Stop at Through Street or Stop Sign.

(a) Those streets and parts of streets described in Section 1291 hereof are hereby declared to be through streets for the purposes of this article.

(b) Those entrances and intersections described in Section 1292 are hereby declared to be stop intersections for the purposes of this article.

(c) Those highway railroad grade crossings described in Section 1293 hereof are hereby declared to be railroad stops for the purposes of this article.

Sec. 1192. Emergency from Alley or Private Driveway.

The driver of a vehicle emerging from an alley, driveway or building, shall stop such vehicle immediately prior to driving onto a sidewalk or into the sidewalk area extending across any alleyway.

Sec. 1193. The Chief of Police to Authorize the Erection of "Yield Right of Way" Signs.

(a) Whenever he is so directed by a resolution or ordinance of this City the Chief of Police shall authorize the erection and maintenance of yield right of way signs at one or more approaches to an intersection of streets and highways which are not through highways.

(b) Every yield right-of-way sign erected shall carry the message "Yield Right of Way" with letters of the word "yield" at least six inches in height and shall otherwise conform to the specifications as set forth in the National Manual on Uniform Traffic Control Devices for Streets and Highways.

(c) Every yield right-of-way sign shall be located at or near the entrance to the intersection where motorists are required to yield the right of way.

(d) When "Yield Right of Way" signs are in place giving notice thereof, a driver approaching such "Yield Right of Way" sign shall stop or reduce speed of his vehicle as may be required and shall yield the right of way to all vehicles in the intersection or approaching on the cross-street so closely as to constitute an immediate hazard.

Sec. 1194. Driving Through a Vehicle Shall Drive Between Two Vehicles.

No driver of a vehicle shall drive between two vehicles comprising a funeral procession while they are in motion and when the vehicles in such processions are conspicuously so designated.

Sec. 1201. Clinging to Moving Vehicles.

Any person riding upon any bicycle, motorcycle, coaster, roller skates or any toy vehicle shall not attach the same or himself to any moving vehicle upon any roadway.

Sec. 1202. Vehicles Shall Not Be Driven on the Sidewalk.

The driver of a vehicle shall not drive within any sidewalk or any parkway except at a permanent or temporary driveway.

Sec. 1203. New Pavement.

No person shall ride or drive any animal or any vehicle over or across any newly made pavement or freshly painted marking in any street when a barrier or sign is in place warning persons not to drive over such pavement or marking, or when a sign is in place stating that the street or any portion thereof is closed.

Sec. 1204. Restricted Access.

No person shall drive a vehicle onto or from any limited access roadway except at entrances and exits as are established by public authority.

Sec. 1205. Restrictions on Use of Freeways.

No person shall drive or operate any bicycle, motor driven cycle, or any vehicle which is not drawn by a motor vehicle upon any street established as a freeway, as defined by Section 604.5 of the Vehicle Code, nor shall any pedestrian walk across or along any such street so designated and described except in a space set aside for the use of pedestrians, provided official signs are in place giving notice of such restrictions.

Sec. 1210. The Chief of Police to Establish Crosswalks.

(a) The Chief of Police shall establish, designate and direct the maintenance of crosswalks at intersections and other places by appropriate devices, marks or lines upon the surface of the roadway as follows: Crosswalks shall be established and maintained at those intersections and other locations where the Chief of Police determines that there is a particular hazard to pedestrians crossing the roadway.

curb except in a marked crosswalk. Sec. 1212. Standing in Roadways. No person shall stand in any roadway other than in a current or such action interferes with the lawful movement of traffic. This section shall not apply to any public officer or employee, or employee of a public utility when necessarily upon a street in line of duty.

Sec. 1213. Pedestrians must Obey all Traffic Signs.

Sec. 1220. Stopping, Standing and Parking Regulations. (a) The provisions of this article prohibiting the stopping, standing or parking of a vehicle shall apply at all times or at those times herein specified, except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

(b) The provisions of this article imposing a time limit on standing or parking shall not relieve any person from the duty to observe other and more restrictive provisions of the State Vehicle Code or the ordinances of this City, prohibiting or limiting the standing or parking of vehicles in specified places or at specified times.

Sec. 1221. Standing in Parkways Prohibited.

No person shall stop, stand or park a vehicle within any parkway.

Sec. 1222. Use of Streets for Storage of Vehicles Prohibited.

(a) No person who owns or has possession, custody or control of any vehicle shall park such vehicle upon any street or alley for more than a consecutive period of 120 hours.

(b) In the event a vehicle is parked or left standing upon a street in excess of a consecutive period of 120 hours, any member of the police department authorized by the Chief of Police may remove said vehicle from the street in the manner and subject to the requirements of Sections 585 and 585.1 of the Vehicle Code.

Sec. 1223. Parking for Certain Purposes Prohibited.

(a) No person shall park a vehicle upon any roadway, sidewalk or shoulder of any roadway for the principal purpose of: 1. Displaying such vehicle for sale.

2. Washing, greasing or repairing such vehicle except repairs necessitated by an emergency.

Sec. 1224. Parking Parallel with Curb.

(a) Subject to other and more restrictive limitations, a vehicle may be stopped or parked within 12 inches of the left-hand curb facing in the directions of traffic movement upon any one-way street unless signs are in place prohibiting such stopping or standing.

(b) In the event a highway includes two or more separate roadways and traffic is restricted to one direction upon any such roadway, no person shall stand or park a vehicle upon the left-hand side of such one-way roadway unless signs are in place permitting such stopping or parking.

(c) The Chief of Police is authorized to determine when standing or parking shall be prohibited upon the left-hand side of any one-way street or when standing or parking may be permitted upon the left-hand side of any one-way roadway of a highway having two or more separate roadways and shall authorize the erection of signs giving notice thereof.

Sec. 1225. Signs or Markings Indicating Angle Parking.

(a) Whenever any ordinance of this City designates and describes any street or portion thereof upon which angle parking shall be permitted, the Chief of Police shall authorize the marking or signing of such street indicating the angle at which vehicles shall be parked.

(b) When signs or markings are in place indicating angle parking as herein provided, no person shall park or stand a vehicle other than at right angle to the curb or edge of the roadway indicated by such signs or markings.

(c) Any parking shall be permitted upon those streets and parts of streets described in Section 1194 hereof.

Sec. 1226. Permit for Loading or Unloading at an Angle to the Curb.

The Chief of Police is authorized to issue special permits to allow the backing of a vehicle to the curb for the purpose of loading or unloading merchandise or materials under the terms and conditions of such permit. Such permits may be issued either to the owner or lessee of real property or to the owner of the vehicle and shall grant to such person the privilege as therein stated and authorized herein, and it shall be unlawful for any permittee or other person to violate any of the special terms or conditions of such permit. It shall be unlawful for any person to back a vehicle to the curb for the purpose of unloading merchandise or materials without first obtaining such permit.

Sec. 1227. Parking Adjacent to Schools.

The Chief of Police is hereby empowered to authorize the erection of signs indicating no parking upon that side of a street adjacent to any school property, when such parking would, in his opinion, interfere with traffic or create a hazardous situation.

(b) When official signs are erected indicating no parking upon that side of a street adjacent to any school property, no person shall park a vehicle in any designated place.

Sec. 1228. Parking Prohibited on Narrow Streets.

(a) The Chief of Police is hereby empowered to authorize the placing of signs or

markings indicating no parking upon any street when the width of the roadway does not exceed 20 feet, or upon one side of a street as indicated by such signs or markings when the width of the roadway does not exceed 30 feet.

(b) When official signs or markings prohibiting parking are erected upon narrow streets as authorized herein, no person shall park a vehicle upon any such street in violation of any such sign or marking.

Sec. 1229. Parking on Hills.

No person shall park or leave standing any vehicle unattended on a street or highway when upon any perceptible grade within any business or residence district without setting the hand brake of said vehicle effectively and blocking the wheels of said vehicle by turning them into and against the curb or by a wheelblock.

Sec. 1230. Stopping or Parking Prohibited — Signs Required.

The Chief of Police shall authorize the appropriate signing and marking of the following places and when so signed or marked no person shall stop, stand or park a vehicle in any of said places:

1. At any place within twenty-five (25) feet of an intersection except that a bus may stop at a designated bus stop.

2. Within twenty-five (25) feet of the approach to any signal or official electric flashing device.

3. At any place where the Chief of Police determines that it is necessary in order to eliminate dangerous traffic hazards.

Sec. 1231. Unlawful Parking — Peddlers, Vendors.

(a) Except as otherwise provided in this section no person shall stand or park any vehicle, wagon or push-cart from which goods, wares, merchandise, fruits, vegetables or food stuffs are sold, displayed, solicited or offered for sale or exchange, or any cart, wagon or push-cart, or any vehicle, or any portion of any street within this City, except that such vehicles, wagons or pushcarts may stand or park only at the request of a bona fide purchaser for a period of time not to exceed ten (10) minutes at any one place. The provisions of this subsection shall not apply to persons delivering such articles upon order of, or by agreement with a customer from a store or other fixed place of business or distribution.

(b) No person shall park or stand on any street, any lunch wagon, eating cart or vehicle, or push-cart from which tamales, peanuts, popcorn, candy or other articles of food are sold or offered for sale without first obtaining a written permit to do so from the Chief of Police who shall designate the specific location in which such cart shall stand.

(c) No person shall park or stand any vehicle, or wagon used or intended to be used in the transportation of property for hire on any street while awaiting patronage for such vehicle or wagon without first obtaining a written permit to do so from the Chief of Police who shall designate the specific location where such vehicle may stand.

(a) Whenever any permit is granted under the provisions of this section and a particular location to park or stand is specifically thereon, no person shall park or stand any vehicle, wagon, or pushcart on any location other than as designated in such permit. In the event that the holder of any such permit is convicted in any court of competent jurisdiction for violating any of the provisions of this section, such permit shall be forthwith revoked by the Chief of Police upon the filing of the record of such conviction with the Chief of Police, and no permit shall thereafter be issued to such person until six (6) months have elapsed from the date of such revocation.

(b) No vehicle or trailer used for advertising (except delivery trucks) shall be parked in any public place unless a written permit for same is procured from the Chief of Police who shall designate the specific location where such vehicle or trailer shall stand.

Sec. 1232. Emergency Parking Signs.

Whenever the Chief of Police shall determine that any emergency traffic congestion is likely to result from the holding of public or private assemblies, gatherings or functions, or for other reasons, the Chief of Police shall have power and authority to order temporary signs to be erected or posted indicating that the operation, parking or standing of vehicles is prohibited on such streets and alleys as the Chief of Police shall direct during the time such temporary signs are in place. Such signs shall remain in place only during the existence of such emergency and the Chief of Police shall cause such signs to be removed promptly thereafter.

(b) When signs authorized by the provisions of this section are in place giving notice thereof, no person shall operate, park or stand any vehicle contrary to the directions and provisions of such signs.

Sec. 1233. Display of Warning Devices when Commercial Vehicles Disabled.

Every motor vehicle having an unladen weight of 4,000 pounds or more, and every truck tractor irrespective of weight when operated upon any street or highway during the time specified in Section 618 of the Vehicle Code shall be equipped with and carry at least two flares or two red lanterns, or two warning lights or reflectors, which reflectors shall be a type approved by the Department of California

Highway Patrol. When any vehicle above mentioned or any trailer or semi-trailer is disabled upon streets or highways outside of any business or residence district within this City and upon a street or highway where there is insufficient street lighting to reveal a vehicle at a distance of 200 feet during any time mentioned in Section 618 of the Vehicle Code, a warning signal of the character indicated above shall be immediately placed at a distance of approximately 100 feet in advance of, and 100 feet to the rear of, such disabled vehicle by the driver thereof. The warning signals herein mentioned shall be displayed continuously during the time mentioned in Section 618 while such vehicle remains disabled upon such street or highway.

Sec. 1240. Authority to Establish Loading Zones.

(a) The Chief of Police is hereby authorized to determine and to mark loading zones at any place in the City of Daily City.

(b) In no event shall more than one-half of the total curb length in any block be reserved for loading zone purposes.

(c) Loading zones shall be indicated by a yellow paint line stenciled with black letters, "LOADING ZONE," upon the top of all curbs within such zones.

(d) Passenger loading zones shall be indicated by a white line stenciled with black letters, "PASSENGER LOADING ZONE," upon the top of all curbs in said zones.

Sec. 1241. Curb Markings to Indicate No Stopping and Parking Regulations.

(a) The Chief of Police is hereby authorized, subject to the provisions and limitations of this ordinance to authorize the placing of the following curb markings to indicate parking or standing regulations, and said curb markings shall have such meanings as herein set forth:

1. No person shall stop, stand or park a vehicle in a red zone at any time except as permitted by the Vehicle Code, and except that a bus may stop in a red zone marked or signed as a bus zone.

2. No person shall stop, stand or park a vehicle in a yellow zone at any time between

High School District to Offer Summer 'Enrichment Program'

Jefferson High School District today announced its intention to sponsor an "Enrichment Program" in conjunction with the regular summer school schedule.

The "Enrichment Program" will cover a number of subjects to be offered to the students on an "interest" basis. These subjects will not give credit toward high school graduation. However, their value is immeasurable from the viewpoint of offering exposure to individual students in fields not normally included in high school curriculum.

The initial offerings will be: Great Books, World Affairs, Advanced Mathematics, Advanced Science, Psychology, Instrumental Music, Creative Writing, Dramatics, Physical Education.

The program will also be open to outstanding students, on an eighth grade level, upon recommendation of their schools. A separate course will be offered for eighth grade students requiring remedial work in mathematics and English. They must enroll in both English and mathematics as a combination course and, as in the above instance, these courses will not be credited.

It will be possible for the student to incorporate this program with the offerings of the regular summer school schedule such as a combination of a credited course in English and a non-credited course in World Affairs.

In any case, the student must sign up for two courses. Enrollment will be limited to those students living within the boundaries of the Jefferson Union High School District.

High School District to Offer Summer 'Enrichment Program'

Jefferson High School District today announced its intention to sponsor an "Enrichment Program" in conjunction with the regular summer school schedule.

The "Enrichment Program" will cover a number of subjects to be offered to the students on an "interest" basis. These subjects will not give credit toward high school graduation. However, their value is immeasurable from the viewpoint of offering exposure to individual students in fields not normally included in high school curriculum.

The initial offerings will be: Great Books, World Affairs, Advanced Mathematics, Advanced Science, Psychology, Instrumental Music, Creative Writing, Dramatics, Physical Education.

The program will also be open to outstanding students, on an eighth grade level, upon recommendation of their schools. A separate course will be offered for eighth grade students requiring remedial work in mathematics and English. They must enroll in both English and mathematics as a combination course and, as in the above instance, these courses will not be credited.

It will be possible for the student to incorporate this program with the offerings of the regular summer school schedule such as a combination of a credited course in English and a non-credited course in World Affairs.

In any case, the student must sign up for two courses. Enrollment will be limited to those students living within the boundaries of the Jefferson Union High School District.

Under both offerings — the "Enrichment Program" and the "Remedial Math and English Courses" — school will be held from June 16 to August 8 between 8 a.m. and 12 p.m. School bus transportation will be available to those students living within the boundaries of the Jefferson Union High School District.

Mrs. Rose Dahl Takes 'Crusade' Publicity Post

Mrs. Roy C. Rose Dahl of Daly City recently went to do publicity for the United Crusade in northern San Mateo County. Appointed as Liaison, county-wide, Rose Dahl will be responsible for the United Crusade in San Bruno, San Bruno and Pacifica.

A resident of San Bruno for the past two years, Mrs. Rose Dahl is chairman for James PTA, Vista Mar PTA, Westmoor Cooperative Group. She also is School Secretary for the side Presbyterian Church, Brownie Troop representative for Troop 351.

The clubs Mrs. Rose Dahl belongs to include O.E.S., Chapter No. 130, Cloverdale, California, and the Women's Guild, Colma City - Lakeside Presbyterian Church, San Francisco.

"United giving," Mrs. Rose Dahl said, "is geared to our present mode of life and by giving generously at one time, the money is more intelligently distributed to the agencies whose need is the greatest."

The Rose Dahls and their two daughters make their home at 366 Skyline drive.

PG&E 'Trains' Firemen From 5 Communities

PG&E conducted special two-hour training sessions at its Colma headquarters Tuesday and Wednesday for firemen of Daly City, Colma, Pacifica, San Bruno and Brisbane.

Manager Lee Brillhart and PG&E city representative Joe Rohl arranged the project, which emphasized techniques in controlling gas and electrical fires.

DC Chief Elmer Kennedy said the classroom and field sessions "were outstanding and enlightening all present."

All men in the Daly City fire department attended, half each day. Kennedy has several such projects in his round-the-clock in-service training program.

Francis-Britschgi 'Testimonial' Set May 19... Belmont

A joint testimonial dinner, honoring San Mateo County's Assemblyman Louis Francis and Carl A. Britschgi, will be held Monday evening, May 19, at the Belmont Casino.

The Honorable L. H. (Abe) Lincoln, Speaker of the State Assembly, will act as toastmaster. It will also be a "fun night" for their friends and supporters with dancing and professional "surprise" entertainment, according to the dinner co-chairmen, Don Cardozo of San Bruno and I. M. Gold of Redwood City.

Tickets at \$10 each are available at 839 North San Mateo drive, San Mateo, and 1901 El Camino Real, Redwood City, or by telephoning DI 2-6171 or EM 8-3518.

17th District CCPT Holds Annual 'School Of Information' Thursday

Seventeenth District's annual School of Information, where new PTA chairmen come for instruction in duties they will perform during next school year, will be held this Thursday (May 15) at Burlingame Methodist church, with business meeting starting at 9:30 a.m.

Eight workshops are scheduled from 10:15 to noon, then luncheon, followed by a showing of "Your PTA at work in San Mateo County," the PTA story told on colored slides of recorded commentary. The second business session, at which the year's budget will be adopted, and new district chairmen will be ratified, concludes the day.

Mrs. J. B. Mills of San Bruno, incoming district president, will meet with the 130 presidents of local associations.

Mrs. Robert F. Palmer of Belmont, vice president; Mrs. August H. Johnson of San Mateo, incoming vice president; and Mrs. Ernest Thomas of San Mateo, program chairman, will conduct the program workshop.

Press, newsette and publicity record book chairmen will meet with Mrs. David Sears of Belmont and Mrs. Lawrence Prager of San Mateo, "new" and "old" directors of communications; Mrs. Raymond Duste, "Seventeen" editor; and Mrs. Francis Tuckwiler of San Carlos and Mrs. Don J. Levers of South San Francisco, publicity committee members.

Mrs. Foriest Cunningham of Daly City, incoming director of parent and family-life education, and Mrs. Joseph Checche of San Mateo, parent education chairman, will offer suggestions for parent education programs and display literature on various aspects of child rearing and family living.

Tom Jenkins of San Carlos, new director of extension, will bring to the membership workshop fresh ideas for men's participation. Mrs. James Yamakoshi, (East Palo Alto) membership chairman, will have membership envelopes for sale.

Conducting the motion picture and television workshop will be Mrs. Paul G. Sturges, San Carlos, new director of education, Mrs. Bryan B. Taylor, Woodside motion picture chairman; Mrs. Jack Schipper, Redwood City, radio-television chairman, and Mrs. Ralph E. Todd, Menlo Park, new instructional TV chairman.

Secondary service workshop will be under the direction of Mrs. Myron Greenlee, San Carlos and Mrs. Thomas S. Rob-

erts, San Mateo, retiring and incoming directors; and Mrs. L. E. Engleman, Redwood City, public welfare director.

Additional workshops will be held this fall.

Luncheon reservations may be made with Mrs. R. J. Deremer of San Mateo, Mrs. Cunningham of Daly City, Mrs. Ira Lee of Redwood City, and Mrs. Ralph E. Todd of Menlo Park.

Compass Club Offers 'Mystery' Dinner-Dance

A "mystery" dinner dance has been planned by the Westlake Compass Club for this Friday evening.

Comfortable busses have been chartered to take members, their ladies and guests for a pleasant twilight drive prior to arrival at the mystery destination. Members and their guests will leave in the chartered busses from Westlake Lounge at 7:30 p.m. sharp.

The committee on arrangements has promised an excellent orchestra for dancing during the evening, along with a delicious full-course dinner with all the relishes and delicacies.

Full price for a couple, including roundtrip bus transportation, dinner and dancing is \$11. All Compass Club members are anticipating a gala evening, and they welcome all guests. Reservations may be made through Lewis H. Johnson, 154 Westlawn avenue, or Ted Hopman, 34 Village Lane, Colma.

Officers recently elected for 1958 are: Herman Cohn, chairman; H. S. Garrison, vice chairman; Harry W. Leggett, secretary; Lewis H. Johnson, treasurer; Ted Hopman, social secretary.

Marine Corps Lists New Re-Enlistment Offers For Vets

Former Marines of this area are now eligible to receive substantial financial benefits as incentives to re-enlistment.

The re-enlistee is eligible for 30 days paid leave, advance mileage to his first duty station and, for those re-enlisting within 90 days of their discharge, immediate payment of their re-enlistment bonus.

The new plan applies to former Marines who have one dependent. These men, formerly, were not eligible for re-enlistment in many cases.

With these monetary benefits, and the 30-day leave, it is anticipated that former Marines will have sufficient monies and time to clear up matters at home before resuming their service careers.

Full information on this program, and all Marine Corps enlistment policies, is available at the local Marine Corps recruiting station, 6705 Mission street, Daly City.

B'nai Israel Topic

Congregation B'nai Israel, 67 Los Banos, will hold Sabbath eve services this Friday at 8:15 p.m. Rabbi Solomon A. Shore's sermon will be, "Who Is the Most Honored American Jew Today?"

A social hour will follow. Hostesses will be Mrs. Lucy Kallman and Mrs. Ilse Hartmann.

Camporee chairman is Monty Montgomery.

GARDEN CLUB LAUDS PAPER

Dear Mr. Bradshaw: The Daly City Garden Club would like to thank you very much for the excellent publicity your publications extended to us for our recent plant sale.

The contributions of plants from nurserymen in Colma and Daly City, the assistance from stores in the Westlake shopping center, and your courtesy and cooperation on publicity made our plant sale a complete success.

Thank you very much for your consideration and support.

Sincerely,
Mrs. Joseph P. Schultz

'Microwave' Cooking Demonstration Amazes DC Rotary, Lions Ladies

Ladies of Rotary and the Lions Club were guests recently of the Pacific Gas and Electric Company at the Colma service center headquarters.

Occasion was the introduction of "microwave" cooking in the electronic oven. Conducting the demonstration was Mrs. Cleo Felsinger, and her assistant, Mrs. Evelyn Vaughn.

The "oven" referred to as a "range"—looked somewhat like a TV set, complete with dials, but with conventional front opening. Instead of a picture, the action took place when microwaves bombarded the interior oven, turning the energy in foods to heat, thereby cooking the food within itself. A unique screen enables the viewer to actually see the foods cook.

The audience was amazed to see a potato bake in four minutes, an egg in 20 seconds, and a five-pound roast in 30 minutes.

The air in the range, the range itself and utensils all remained at room temperature

except for small amounts of heat transferred from the hot food. Glass and paper containers were used because of metal reaction.

The ladies present were unanimous in recognizing that this entirely new concept of cooking will revolutionize home preparation of food. Within several years the trend will be felt as the cost of these electronic ranges comes within reach of the householder.

Lee Brillheart, manager of the North County P. G. & E., who arranged the preview, explained that a few of the ranges are already in use commercially and have far exceeded expectations.

The mayor of Pacifica, Jean (Mrs. Joseph) Fassler was introduced to the audience and among the many notable guests present were Mrs. Norman Sutherland and Mrs. Lee Brillheart. A very attractive buffet of cake and coffee was served, the cake having been baked "on the spot."

Tapia Keeps Jeff Baseballers In Title Chase

STILL SOME HOPE

Indians Defeat Mateo, Burlingame; Cap Grabs Ninth Over Rams, 3-0

Jeff's Indians delayed unopposed Capuchino's title cinch Tuesday as the Daly City nine blasted Burlingame, 8-3, while Cap managed win number nine over stubborn Westmoor here, 3-0.

Paul Tapia, 6-2 on the hill to date, will continue the chase this Friday when the Tribe invades South City. Coach Steve Mezzera's troops are two games behind Cap as each squad has three to go.

Jeff next Tuesday meets Westmoor and Friday closes against Hillsdale.

Tapia, who stopped San Mateo there last Friday, 6-3, checked Burlingame with the aid of heavy plate support. Barry Haanen, Jerry Kennedy and Bud Callaghan unloaded the heaviest lumber.

Gene Tagliaferri (4-0) held Westmoor to four hits to out-duel Dave Simons. Coach Rod Losberger's Rams last Friday

left the basement with a 4-3 win over South City here. Ray West did the pitching, holding the visitors to two hits. A three-run burst in the last inning gave Westmoor its second victory over the South Cityans this campaign.

West fanned nine Warriors and walked none. For five innings he set down the side in order. Simons drove in the winning run and had two for four.

Next week Westmoor faces Jeff on Tuesday and San Mateo Friday to end the season.

WESTMOOR High's varsity baseballers may conclude their first Peninsula League campaign in the second division but Coach Rod Losberger's club has done well for a new school. The Rams' two wins to date both came over South City, an accomplishment of no small merit. Left to right, in batting order: Danny O'Connor, Rich Hottel, Bill Dougherty, Sid Swanson, Tom McHugh, Dave Simons, Jim Helek, Bill Reynolds and Ray West. THE RECORD photo

LEAGUE SHOWDOWN

Tribe Tracksters Blaze Their 'Best' In Finals

Bob Watt's Jeff High track squad eyed the North Coast trials this week after their "best in school history" finish last Friday in Peninsula League championships at Burlingame.

The Indian varsity finished third in the showdown behind champion San Mateo and Capuchino, and Watt's C's placed behind San Mateo for the title.

Watt's best in the varsity finale were milers Don Snider and Charles Rivera, first and third at the tape, and his 880 relay team, which won the event in record (for Jeff) time of 1:31.1. The latter unit consisted of Sonny Martinez, Len Lamendola, Pete Garcia and Doug Burch.

Martinez, at his best, lost a dead heat 100 to Preston of Cap and the DC swiftie was third in a torrid 220.

Garcia got up for fifth in the 440, but Lamendola disappointed by finishing back in the pack. Felix Valdez captured the third in the 880.

Dennis Marc, who scaled for third in the Fresno Relays Saturday, tied for first place in the PL high jump with a 5-8 effort... well below his best of 6-4.

In the discus, Jeff got points on Jim Drake's third place and Neil Dunford who was fourth. Joe Vaez, 660 ace, scored a Jeff first in the C's, and sprinter John Margaroni was second in the 75 and 150 dashes and the broad jump.

The Jeff C 440 relay unit (Ray Javier, Art Bilkey, Mel Horne and Margaroni) took a second.

Bilkey was third in the 330, Dave Sieber was fifth with the shot, Mike Brush managed second in the pole vault, and Brush and Gary Molossi tied for second in the high jump.

Watt's B's, as expected, were outclassed, as only Gordon Kennedy got points for Jeff. He was second in the discus and fifth in the shot.

At Fresno against the best in the state, Watt's varsity finished fourth, winning the distance medley with Lamendola, Valdez, Rivera and Snider.

North Coast trials are this Friday at Sunnyvale, followed by finals next week.

'CLOSE' DECISIONS

Bruno Boxers Beat DC Police Kids, 7-4

Police Athletic League boxers of Daly City lost seven of eleven bouts to San Bruno Boys Club swingers Friday night in an exhibition down town.

PAL prexy John Coleman said the officiating was "questionable" in some scraps, and raised the Bruno boys as their leaders for sportsmanship.

Even won by DC's Paul Annon, classy 115-pounder who nipped Randy Medefeser in three rounds.

Ron Montoya, DC, was decisively in the 140-lb. match by Dennis Hendrickson, a semi-final duel.

In other tangles, DC winners were Mike Crudo, Richard Nunes and Joe Chavez. Close verdicts were against Al Lajan, Jim Kearney, Gary Beecher, Lloyd Guillery, Joe Pierce and Rollee Carr.

Nunes, an 85-pounder, won the trophy as the "outstanding" pugilist on the card.

Final Track Meet

Jeff High trackmen concluded their dual meet season here Tuesday, losing two of three divisions to Burlingame. The Indian varsity lost, 61-49, the B's were downed, 61-51, but the C's won, 62-24.

For the season, Coach Bob Watt's squads had marks of 3-3, 1-5, and 4-1-1, varsity through C's.

LEAGUE FINALS

Ryner, Dunbar Sparkle For W'moor Thinclads

Bruce Ryner (880) and Dave Dunbar (660) rolled to smashing wins Friday when Westmoor's varsity and B track squads took fifth and third in the Peninsula League championships at Burlingame.

Ryner whipped off a 2:01.8 effort for Coach Ernie Ribera in the varsity division. Dunbar set a league record in the B division 660 in the time of 1:25 flat—the best time in Friday's affair.

Dunbar, usually a varsity 440 man, dropped down to the B's for the finale. Rich Blake more was third in the same race. Last year Dunbar set a Peninsula mark in the 660 as a C.

Other Ram varsity efforts:

Jed Cyr, second in half mile; Jim Lansing, fifth in discus; and Cyr-Ryner-Mike Joseph-Bill Sheary, fourth in 880 relay.

Rich Burnham, Ram B's, was second in the 70 and 120 hurdles; Lanny Bucelli was second in the 1320 and Mike Young third.

Eddie Berg, Burnham, Dunbar and Rich Gomez were fourth in the 440 relay; Roger Johnson, fifth in B high hurdles; Rich Mollison, second in shot put and discus; Dave Vogt, tied for second in pole vault.

Rams enter the North Coast trials this Friday night at Fremont High, Sunnyvale.

Snell PTA To Hear Trio Talk On Recreation

"A Summer Recreation Program for Our Youth" will be discussed by Michael Orlich, James L. Snell recreation chairman; Elman Rose, Daly City supervisor of all school playgrounds, and John Belforte, director of Garden Village and Benjamin Franklin school playgrounds, at the final meeting of James L. Snell PTA to be held on Tuesday May 20, at 8 p.m., in Garden Village school.

Films with narration will be shown of the recreation program's activities that have taken place in the past year. Snell PTA was one of the original boosters for a summer recreation program to be held on school playgrounds, with a subsidy from the school district.

Mrs. Leroy Larson, historian, will present the year's achievements and accomplishments in her final report. At the conclusion of the meeting, Mrs. Fred Smith will present Mrs. Kenneth Gillespie with the gavel beginning her year as incoming president.

Colvin Midgets Defeat Portola

Art Colvin's BYA nine scored a 7-1 win over the Portola Yankees Friday in DC Midget League action at Westlake park.

Homers by Gary Mendoza and John Vocke, and the 14-strikeouts pitching of Bruce Hix paced the victory. Hix allowed five hits, same as loser Dick Earnshaw.

Adult Softball Squads Needed

Department of Parks and Recreation seeks entries for its Adult Softball League, due to start June 17.

Any service, club or church group interested should immediately call PL 5-0850, extension 18. Deadline is next week.

The twilight loop, running throughout the summer, will have games starting at 6:30 p.m.

Broadmoorites Finish 'Cleanup' This Weekend

Lou Manis, of 211 Village Lane, newly elected president of the Broadmoor Property Owners Association, this week reminded Broadmoor residents of the association's semi-annual cleanup campaign, which began Sunday and closes when all Broadmoor homes have been provided with the association's special rubbish pickup service this week end.

The rubbish pickup service, cost of which is being footed by the BPOA, begins early Sunday morning, May 18, and will continue until trash from all 1100 village homes have been collected.

"Residents," said Manis, "should have their trash boxed, sacked or tied securely together, and deposited on the sidewalk in front of their homes Saturday night. If the pickup is not made Sunday, leave the bundle overnight, provided precautions are taken against the containers opening and the rubbish scattering around."

Manis pointed out that the pickup is strictly for dry rubbish and trash. "No wet garbage of any kind should be included," he emphasized.

Solid DC Drug Nine Open Here With Twin Bill

Daly City Drugs baseball team, which brought two titles to town last year, open their 1958 campaign with a double header at Marchbanks diamond this Sunday.

First game will start at 11 a.m. against an old rival, South Sunset Juniors, and will see Billy Ludwigsen taking the mound with Bill Hynes his battery mate.

Second game will begin at 2 p.m. with the Little Village Juniors, who will face either Terry Christman or Barry Krohn, both lefthanders. They will be "received" by Ed Walther.

Daly City Drugs, managed by Lowell Creighton, and coached by Harry Krohn, will field about the same team that walked away with everything in their class last season. Tom Bournellis has fitted them with sparkling new uniforms, and his players will sport Daly City's banner carried throughout Northern California this summer.

The infield will still be patrolled by Georgie Claus at third, Billy Hix at short, and Mike Rovali at second, with Krohn and Christman alternating at first base.

Sonny Stoller joins the gang in the outfield after a year with the Larry Barrett outfit, and he'll be helped by Mike Lanthier and Danny Luciano. Mike O'Leary should be a mainstay at all positions as usual.

Marchbanks is in top shape, with new asphalt paving behind home plate, and a grand day is in store for fans who like top flight junior baseball.

Tom Bournellis' lads will travel to Vallejo over Memorial Day week-end to meet Leo's Chevroleters there.

Blonde Westmoor High Beauty Will Vie For '4th of July' Rodeo Queen

An ardent horsewoman who has been riding since she was seven years old, Joan Westerlund of Pedro Valley has become a candidate for queen of the 19th annual Redwood City Fourth of July rodeo and celebration, Mrs. Dorothy Oeschger of San Carlos, queen committee chairman, announced today.

Joan, an attractive blue-eyed blonde, is the daughter of Mr. and Mrs. Charles Westerlund of 1315 Peralta road, Pedro Valley. She is 16 and a junior at Westmoor High School in Daly City. On her Palomino "Flex," Joan rode in the Junior Grand National at the Cow Palace last year and has also appeared in other horse shows around the Bay area. In one she took seven ribbons. She is also captain of the girls tumbling team at Westmoor, is a member of Tri-Y and on the yearbook staff.

Joan is a member of the Rainbow Girls in San Francisco, where she was born and lived until moving to Pedro Valley four years ago. Sewing and square-dancing are among her other interests and she is secretary of the Presbyterian Church youth group in Pedro Valley.
